## General Details

Got a call from the One an only Skyler. She says I have a new girl I say I'm there. Booking is always easy once you get to know Skyler. I arrive to the apt plenty parking.. knock on the door and this beautiful young Latina/Asian girl meets me at the door. Beautiful smile and gorgous eyes.

## The Juicy Details

We went into the room popped open a bottle of champagne, I took a shower then when I came out we talked for a good 20 min. After a nice chat I couldn't take it anymore so i pulled her closer to me and began DFK she is a great kisser after we were hot for each other I started taking off heir panties. She gave a nervous giggle but didn't hesitate I started DATY and guys she loves it as soon as she started moaning I knew it was on. This girls loves sex !! After 2 O's she returned the favor BOY she took me all in I almost came right there. After pulling her off me lol I went back down to her she taste so good ....she was shaking a bit this time around her moans were heard loud and clear. So I asked her for a cover and we went for it. Guys you have to experience this... I persononally like the "me on Top" thing specially if the girl is cute and this girl is great for a face to face fuck. Anyways switched to CG aaanndddd ..... then I put my finger in her ass as she moaned with pleasure I knew right away What was next; a great Greek session! We had to take our time because her ass was tight but what a anal session. She ended up O'ing again total of 6 times. I pulled out and CIM a bit surprising to her cause she is very new but she took it. Wow I was spent.... showered said bye and I was off to work but with a smile. Great girl be nice to her she's very new :)
