## General Details

I'd been in touch with Penny's booker, Skyler, for a while trying to meet various girls, but Penny was the first I've actually met. Skyler takes her screening very seriously, but is great to work with and it was all well worth it for my session with Penny!

## The Juicy Details

I waited for a moment outside Penny's door before she opened up to let me in, looking fantastic in an open seater and lingerie. We said our hellos with a hug and proceeded right back to the bedroom where we dispensed with the sweater and got to know each other with some DFK. Penny has a perfect spinner body, provided you aren't looking for a large set of breasts attached, and I eagerly explored it with my hands, taking off her bra and playing with her petit, delightful tits, and feeling her fantastic ass. Soon enough we had both done away with the rest of our clothes and she dropped to her knees and started sucking my rapidly-hardening cock.

Penny has top notch BJ skills, deep throating as much as she could and getting me right to the brink before I needed to eat her pussy and buy myself some more time before I exploded right there. Her pussy and ass were delicious and I loved watching and feeling her cum on my face and fingers. I moved back up to kiss her some more and did a bit of P2P and it was finally time to be inside her. Condom on, she mounted and rode me with a skill beyond her years in cowgirl. After a good while I flipped us over and pounded her in mish as she writhed on the bed. Eventually I asked if I'd fit in her ass, so we lubed me up a bit more and slowly inserted me into her tiny ass. Penny is really small and it took a lot of patience to get going, but it wasn't too long before she was spreading her cheeks and having me pound her harder and harder. Her ass was spectacular, but not where I wanted to finish up that day, so we pulled me out and went back to another BBBJ before I took her in standing doggy at the side of the bed. I pounded her till I couldn't stand anymore, transitioned onto the bed, and finally to flat doggie where I blew a massive load in the bag. Penny cleaned me up and got me a water before rinsing off in the shower while I recovered on the bed.

We hung out and chatted for a while before I showered as well and went off for the night. Penny is a lovely girl and I cannot wait to see her again, and again, and again.
