Culver City

General Details

This was my first dealing with Skyler. There was a last minute opportunity to see Penny earlier than I had originally planned, and Skyler made it happen. I got the easy-to -find address in Culver City, and made my way to the apartment. Opening the door was a gorgeous mixed (looks more latina than Filipina) spinner. Beutiful eyes and cute as a button. We walked into the bedroom, where she...

The Juicy Details

took off her robe so that I could see her tight spinner body. Off came the rest of her clothes, along with mine. She was very responsive to playing/mouthing her A/B breasts and then her gorgeous pussy. We quickly switched to 69, where she shines. (Well, she shines in a lot of areas.). After she had her first of many O's (I lost count), we switched to focusing on me, and she started to DT with no gag reflex. The BBBJ was great, along with her BLS. Finally, switched to mish, where I pounded for a while. She had another O, and then a 3rd where we came together.

After a short break talking, we went back to more 69 to get me hard before Greek. It took several tries for me to stay hard enough, but we finally got there. Greek doggie was great, and she loved it also. Finally, had to get to HJ/BJ to get the 2nd load. CIM is not really an option, but almost everything else is.

There was periodic DFK along the way. But the best part is her hot as Fck look when she's having an O, or even when she's sticking out her tongue as she was playing with my cock.

If you need C cups or a big booty, look elsewhere. But if you want a young, tight, tiny spinner who will have as good a time as you will, see her as soon as possible.
