General Details

Thanks to TER I found Penny while reading reviews. Not many reviews and website does not reveal much through pictures but all I can say is reviews were spot on and Penny is a fantastic young girl that you must see.

The Juicy Details

Initially had some trouble setting up visit but that was more on my part due to being in during holiday and juggling schedules. I note that because I had to cancel first appointment and did not think I would get another but I think this was one of the best schedulers I have ever worked with in setting up a visit.

As for visit - WOW! After arriving at location and getting cleared to go up I was met at door by gorgeous young ultimate spinner that was freindly and inviting. Immediately embraced in kiss and felt that fantastic body. We moved to the bedroom with some conversation and small talk and I dispensed with formalities and took shower.

When I got out of shower I could see Penny getting ready as she began removing her dress to reveal her wonderful body. I quickly dried off and moved toward her where we talked some more before engaging in a an extended session of LDFK which had all the passion of a GFE that remained throughout the visit. Kissing led to us both pleasuring each other orally. She really seems to love this and had multiple bouistrous Os. Each time she would tighten up and quiver at the height. She then gave one of the best BBBJ I have ever had in my life. We engaged in 69 and multipe sessions where again she expessed herself verbally show pleasure before coming together to end round 1.

She got up to clean up and as I watched her I could not believe how lucky I was to have stumled on to Penny. She finished and came back to bed where we layed and toalked for a while befor we started round 2 the same as round 1. This one had had the same pleasures or round one but knew I wanted to end in Greek so asked and Penny had no objections. As I said Penny is a spinner so starting was slow going as she is very tight but she intends to please and it shows. We moved to side of bed facing mirror and got through initial entry and slowly moved through to climax.

Whole experiene was fantastic and Penny is great - go see her and you will not be disappointed.
