## General Details

Penny is a beautiful girl, she answered the door in a pair of skin tight cotton short shorts and a white cotton belly T-shirt, the night only got better from there. I will repeat when I get the chance.

## The Juicy Details

I made the appointment for two hours through her assistant Skyler. She gave me the address a couple of hours before the appointment, her process is was flawless and soon I was standing in front of her apartment door. As I knocked the door opened to a sight that's still burned into me head. Penny is the definition of a spinner 5'2" & 95#. Her body is toned but soft, flat tummy beautiful little bubble butt, and A cup breasts. She has straight back hair down to the small of her back and dark bedroom eyes. The cotton shorts she had on hugged her little ass and sweet box and left just enough to your imagination. A quick hug and a kiss and I took a quick shower at her request. We then had some get to know ya talk as she gave me a quick back rub and then the fun began.

We when through multiple sessions of LFK, DFK, body exploration both of us, ss, fiv, fia, daty, dato, 69, Bbbj, DT, mish, and ended in Greece.

She had her first of many O's during Fiv/fia, she is very vocal when she o's and there was no doubt that it was real she came very close to squirting, she has one of the

hottest(temperature) V's I've ever felt, that was really a turn on.

She have me some of the best bbbj's of my life. She must love giving them because it seemed like she was there most of the session.

69 was fantastic, her o-ing and me trying not to as she engulfed me down her throat, I swear she has no gag reflex. She only came up to breath.

We both came in mish, a combination of her hip grinding and me hammering away as hard as I could.

My best sight was her kneeling on the bed with her ass facing the mirror as she gave me a bbbj. What a sight that ass is. On second though, the sight of her ss up and down my member was unforgettable, she would start down low and pull her ass cheeks apart so I was sliding on both her a & y and slide slowly all the way to the head of my rock hard member and stop just before she went too far and the slowly back down. This was right before mish, and the perfect way to build up to it.

We ended the night in Greek, she is tight, tight, tight.

This was a night I will remember for a long time, she may have just ruined me for the everyday provider.

Penny is something special, if you get a chance to meet her don't hesitate.
