General Details

First time to use this agency, took the usual screening process and passed. Got green light for a date with a hot girl. But was cancelled in the last minute. Booker suggested to take Penny instead. Read her good review, so agree to try it out. To ATM get the right amount of dough then head to location. Easy parking under building, got code, and went upstairs. When door open.....

The Juicy Details

When door opens, found a tiny girl behind door, very sexy. A light kiss then shoes off and to the bedroom. Continue to embrace and kissing until she asked if I want a shower. Thought it was a mutual shower, but she declines, then it ended up a solo shower. I took a quite rinse and came out with only a towel on naturally, she is awaiting for my reappearance and to start kissing again. After a few minutes, she removed my towel, and I help to remove whatever is on her body. Soon we both are naked and she performed an very good BBBJ that I enjoyed. After a while, I asked for the rubber, and start all kind of positions and finally lost in spoon. She help cleaning up, some chit chat to know each other better, then she gave me a very relax massage. I am glad I book a 2 hour session to allow round two, she continued with another amazing BBBJ, then I ask for greek which is included in my package. She is tight in backdoor, and she seemed to enjoy it as much as the first round. I finally surrendered and gave it all to her. After clean up, a mutual shower this time to clean off all evidence. Then get dress and out the door.
