General Details

I have seen her multiple times and she is one of the best. She is petite, beautiful smile and gorgeous eyes. I had a great time and will keep seeing her. She is gorgeous with and without makeup. Now she is only 5 feet tall and weighs less than 105 lbs, but my favorite part of her is her legs.

The Juicy Details

I saw her and fell in love. She is exactly what I was looking for. Petite, dark hair, all natural with a beautiful smile. She is a little shy at first, but warms up fast. You need to take the lead. She is unrushed, so I always take my time with her. She has a few tats, but nothing crazy.

I totally enjoyed myself. Went in and talked a bit before the action stats. Again I take control of the situation so we start with lots of dfk, leading to bbbj. She is excellent and uses her mouth and hand. DT is good too. This leads to daty and I take my time making sure she finishes. After, I quickly rinse and gargle and come back. She is waiting for the next phase. Cover up for mish and doggie (her favorite). She is petite I was able to move her around. I like the way she looked, makeup, and high heels (always my request). She has a pedicure and manicure and completely shaven. After finished, cleaned up and left. yes, will see her again
