General Details

Came across Penny's profile on TER and sent an email. Her booker Skylar contacted me. After a verifying my credentials, she cleared me to meet Penny. Skylar is professional and responsive so if you pass the screening she will take care of you. Got the very nice appt building , and right on time got the code and appt number. Went upstairs and knocked on the door...WOW! Non-vips go with confidence...VIP's read on.

The Juicy Details

Penny met me at the door in very nice lingerie with a warm hug and a nice smile. This girl is a knock out in an unassuming way. She has a beautiful face and a spinner figure to die for. Hopped into the shower for a quick rinse and we met on the bed. We chatted a bit and she asked me what I liked...I told her that I liked everything but that anal was my fav. She said, you are in luck because I LOVE anal...it feels so good. I was in Heaven.

We DFK a little and then she started on suck my cock...she is really talented there too. She gave me some good BBBJ with DT. She gobbled my cock like she was hungry and right when I thought i had bottomed out, she pushed a little bit more and I could feel her throat ease up and it went that extra bit...WOW!

I had to eat her pussy and she is very responsive. As I ate her sweet and very smooth pussy, I put one FIV. She was very tight. I then put one in her ass and she squirmed. I don't know if Penny ever came, but she put on a great show if she did. She loves having one finger in her ass and one in her cunt.

I had to have her ass first...I wanted to enjoy it first since I never am sure if I will be hard enough in round two! I asked her how she liked it and she said she wanted to start in mish. I obliged and on came the hat. I portioned my cock against her asshole and slowly pushed...she squirmed with joy as my cock head pushed through that tight ring. I kept it there so she could adjust. Slowly i started pumping my cock in her ass...she seemed to love it! I put her on her side and continued to pump her ass...this time while playing with her pussy. I stuck one finger in pussy and almost couldn't get it in because of my cock in her ass. She love being double penetrated. We ended the Greek session with her on all fours and me standing and pounding her ass for all I was worth...I came in the bag so hard I almost passed out.

We had nice convo for a few minutes and I started stirring. In no time she was DT my cock again...I was about to explore her tight pussy with my cock when.....I got a text from my boss about an emergency meeting he was having. Had to run out the door, but...I will be back. Taking that sweet ass was one of the best Greek sessions I have ever had. Getting into her pussy will be great...but I will be dreaming of that ass for a while.
