## The Juicy Details

I scheduled an early appt. We didn't really connect. She is definitely hot and sexy. And skilled. I think it may have been too early for her though. Anyway

I entered. She was dressed in sexy white lingerie. Looks amazing. Already half chubbed. There are 3 other providers in the kitchen. They seemed like it would be awkward but I didn't mind. They all looked good. We walked to bedroom and she asked if I want a shower. I took a quick on. No sensual connection yet. I dried off and found her lying on the bed. She got up as I laid down to put music on. She asked how I like to get started. I asked for 69. I think she rolled her eyes. I'm not a GFE guy so I don't really care. Undressed herself and hopped on. DT was AMAZING. I should've taken more advantage of that. She has a great tight tiny shaven pussy. She flipped around on her back where I contributed DATY. Very wet I propped up to get in position to penetrate. She closed her legs an and reached for the cover which seemed like it was her first time putting on one so I had to do it. I'm a little large so I guess it is kind of a challenge with cheap small condoms. By now I really was kind of losing my gusto cause she seemed over it. I just drilled in mish and unloaded in back. She pulled the cover off and handed me a wipe. I showered and bounced. She is hot and I'm willing to try again. Maybe not 11am next time though.
