The Juicy Details

I was back in a familiar location with skylar's girls. A while back she was recommended but I refused her, biggest mistake I've ever done. I had seen he pics but still wasn't enough to have an idea of what to expect. I was really anticipating seeing her, when I finally saw her it didn't compare to what I had imagined. As we got to the room and got comfortable the good times was started. She went down for some great bbbj and slowly would removed what was on her one item at a time. Her body is amazing, actually had me changing the the kinds of girls in in to. So after some time down there she climbed up for some rubbing . It was so sexy see her lips spread on me as it grinded on my head. I couldn't take it any more so I asked for the cover and she straddled me. Riding me until I gliooed her and pounded her good. I had her tide me again and came. After the 1st round we talked for a bit and got in to round 2 which was far better . This time she asked if I wanted to go in from behind and I didn't hesitate . Such as tight little add, as I slowly pushed in and tightly gripped me. I started out gentle and when I noticed she was enjoying it so I began to give to her harder until I had her screaming then came inside.
