## General Details

I had tried Skyler once before with another provider. Easy to be screened and great location. She recommended Penny as someone right up my alley. Boy was she right. She is a beautiful girl. Talented and very into the session...

## The Juicy Details

When I walked in i was blown away by how gorgeous penny was. She hides her face in the pictures but the reviews proved true. She greeted me with a deep kiss and a look up and down like she wanted me in bed already. After a clean up shower, we got to the bed and chatted for a bit.

Penny was truly amazing. First thing she did was stroke me while talking to let me know she wanted me. Then, after a bit, she told me to lay down on the bed and went to work on me. Penny - despite her young age - is a master at the BBBJ. I swear it took everything I had to not cum and she went there for a while. She enjoyed teasing me and making me squirm - which I like. After a while she finally asked if I was ready. I said yes, but not before I returned he favor. She is a willing recipient of DATY and has an easy time getting off. Sometimes you wonder if the reaction is real, but not with her. Her whole body shook. Then, we got down to business.

The sex was just fantastic. penny is skilled and knows how to make herself get off. She enjoyed all the different positions and started off on top. She knew how to make me feel like I was the master of the universe with her. She has the capacity for multiple orgasms. So - if you are a pleaser - she is the perfect girl for you.

In the end, I regretted that I only had time for one round. I will definitely see her again.
