General Details

Met Penny in the Apt, She opened the door and stayed behind. When I saw her I was shocked by how pretty she was and what I was in store for.

Definitely worth the price of admission

The Juicy Details

Met penny at the door and went in. We got to know each other and she is a nice hot chick visiting LA for a short time. I couldn't wait to get started so I hopped in the shower to freshen up. When I got out she was naked on the bed. Model thin body looked ready for a tumble. I hopped on the bed and ran my hands along her curves getting familiar with her. Amazing ass and perk tits. She took the initiative and started bbbj. I waiting as long as I could before checking out her hot body again. she put a cover on me and we went though mish, doggy and cowgirl.

She is a site to behold and it took all I had to hold out but I finished in the cover. We hung out and talked a little bit and before the time was up we tried for another run with her working my shaft but it wasn't meant to be. I took another shower and said my goodbyes. Will see her again if she visits LA.
